## SOFA

designed by Giuseppe Viganò | W 502

Un divano dalle proporzioni abbondanti, si presenta con un ampio e accogliente pozzetto che abbraccia delicatamente il cuscino, invitando al puro relax. L'eleganza si manifesta attraverso un elemento decorativo in metallo curvato, delicatamente posizionato tra i volumi del bracciolo e della seduta. Il particolare metallico conferisce luminosità all'intero prodotto, che cattura lo sguardo e illumina lo spazio circostante come un gioiello.

*A spacious sofa, featuring a wide and welcoming seat that gently cradles the cushion, inviting you to sink in and relax. Its elegance is manifested in a curved metal element, delicately positioned around the volumes of the armrest and the seat. The metallic detail adds a touch of brightness to the entire product, drawing the eye and illuminating the space around it like a precious gem.*

Глубокий удобный диван щедрых пропорций нежно окружает подушку, приглашая к полному расслаблению. Элегантность выражается декоративным элементом из закругленного металла, установленным между объемами подлокотника и сиденья. Металлическая деталь придает сияние всему изделию, которое привлекает взгляд и освещает окружающее пространство как ювелирное украшение.

沙发比例丰满，其座位宽大而舒适，轻轻围绕着靠垫，邀人尽情放松身心。采用弧线金属饰件，巧妙置于扶手和坐垫的廓形之间，彰显优雅气息。金属细节使产品整体更加亮丽，宛如珠宝般引人注目，让所处的空间熠熠生辉。
